

REMARKS

Applicants have amended claim 49 to correct a typographical error and to provide sufficient antecedent basis for the term “intended recipient.” Applicants have further amended claim 49 to replace the terms “requester” and “user” with the terms “communication initiator” and “intended recipient,” respectively, and have amended claim 65 to replace the term “intended recipient” with the term “user,” so as to render the claim terminology consistent throughout each of the claims.

Entry of the foregoing claim amendments are earnestly solicited. The amendments are for purposes of improved clarity and, therefore, do not raise any new issues and do not require any additional search.

Accordingly, Applicants respectfully submit that the present application is in condition for issuance, and respectfully request such action in due course.

The issue fee is being paid separately.
